

Construction Notice

Upcoming works along St Clair Avenue between Wychwood Ave and St Clair West Station

1. Overnight track maintenance

Date: June 29 and 30 and July 3 to 7, 2016

Work description and purpose

The TTC is currently conducting preventative rail maintenance to streetcar tracks on St Clair Avenue at several intersections. This work, which is taking place while streetcars are not operating on St Clair Avenue, involves welding sections of track to ensure improved streetcar operation through the intersection.

The sections on St Clair Avenue where rail maintenance will be conducted include the intersections of:

- St Clair Avenue and Vaughan Road (June 29 and 30, 2016)
- St Clair and Bathurst Street (July 3 to 7, 2016)

There will be lane reductions and parking restrictions in the immediate areas during work hours to maintain traffic.

Work hours

To maintain safety, work is required to take place from 12:01 a.m. to 6 a.m. nightly when traffic volumes are low.

***Details on the concrete repairs on are the reverse of this page.**

2. Streetcar right-of-way concrete replacement

Date: This work is expected to be completed between Mid-June and September (exact dates to determined)

As part of the St Clair Coordinated Projects, TTC crews will be replacing concrete in the streetcar right-of-way between Wychwood Ave to St Clair West Station.

Traffic & Pedestrian details:

- *The work taking place in these areas will require some **lane reductions and traffic restrictions**. This work is expected to be completed between Mid-June and September (exact dates to determined).*
- *Pedestrian access will be maintained - safe detours and signage will be in place*

Work hours:

The time frame for this work is anticipated to be complete within 4 weeks. This work will be completed during the hours 7 a.m. to 7 p.m.

Thank you for your patience as we work to improve transit in Toronto.
