### Heath Street Entrance Floor Tile replacement

- Access to the station and both platforms will be available during the construction.
- Work will be staged in order to keep the entrance open for customer use.
- Protective hoarding will be installed in the areas undergoing tile replacement.
- This work is a part of TTC's state of good repair program to ensure stations are maintained for long-term customer use.

### Work hours

Most work will take place from 7 a.m. to 7 p.m., with some extensions outside of these hours in order to complete the work as quickly as possible.

### Noise, vibration

Noise and vibration associated with construction is expected. Efforts will be made to keep noise levels to a minimum.
